

HoHA Community Chiropractic Clinic

Hands on Health Australia in partnership with CQU - providing access to healthcare to improve health and wellbeing to the community of Mackay

The clinic offers chiropractic care and rehabilitation delivered by final year chiropractic interns under the supervision of qualified chiropractors. In addition to providing you with valuable patient care, the Clinic delivers quality clinical education to CQU students — our next generation of healthcare professionals. Educated in state-of-the-art facilities, students gain invaluable practical

What can Chiropractors treat?

The evidence is growing to support spinal manipulative therapy for a wide range of musculoskeletal complaints and currently includes certain types of:

- Back Pain
- Neck Pain
- Headache
- Strains and sprains
- Repetitive Strain Injury
- Work and Sports Injury
- Some types of arthritis

A referral is not required to access our services. **The cost to attend the Clinic is \$4 to any Health Care Card holder.** Appointments and bookings are essential. Please contact us via phone or email to make an appointment.

Patients must present their Health Care Card at their appointment.

Times: Wednesdays 8.30am to 11am, Thursdays 11.30am to 2pm
